# Future Homemaker of America

The combination of three chapters made FHA one of the largest clubs at East High. The members of FHA provided their assistance at the Calloway Day Care Center. The future homemakers raised funds for the March of Dimes and selected a member from each chapter to represent Morristown East High FHA at the State Convention. The three chapters were sponsored by Mrs. Fox Chapter I, Mrs. Helton Chapter II, and Mrs. Spoon Chapter III.

# Red Cross Council

New sponsor, Mr. Ward Ashley, and the Red Cross Council boosted their club membership to an expansive forty-five member organization. This club dedicated and devoted its time to assisting the community in any way needed. In their first bloodmobile, they collected 94 pints of blood, exceeding their goal of 50 pints. They assisted with the handicapped children in the Special Olympics and sponsored another Bloodmobile during the spring.

To get their 1982-83 school year off on the right foot, the Naval Junior ROTC took an enchanting cruise during the summer. Taking their cadets to Carson Newman, Captain Dellinger and Commander Deaton watched as they showed their form on Junior ROTC Field Day. They were commended for their performance at their annual Inspection which was held before the student body on November 3, 1982. Other activities ROTC participated in included the Veterans' Day Parade and their annual Military Ball.

# Pep Club

Having another fun-filled year of supporting athletic activities, the Pep Club survived its second year. The club met at a member's house or during homeroom whenever needed. During football season, the club, along with other recruited students, formed a spirit line and put up posters to cheer the football players on. Ronnie Smith, reporter of the Pep Club, could be seen leading the cheering section at Burke-Toney Stadium. The Pep Club bought cinnamon rolls for both the football and basketball teams. Mrs. Francis Greene was the sponsor of this vivacious organization.

"Smile, girls!" were familiar words to the East High Teen Board — and smile they did. For the members of East High's first teen fashion board, in conjunction with Parks-Belk in the Plaza, this was an exciting year. Seven girls were selected on the basis of poise and fashion consciousness for the Teen Board, which produced fashion shows throughout the year. Dave Atchley was the coordinator at Parks-Belk, and Sue Fox was the sponsor at East High.

# Morristown East High Band

Superior ratings in several different competitions gave M-H East's band the reputation it deserved. The band received a superior rating in the Second Annual Appalachian Band Competition in Kingsport and was named Grand Champions at the 13th Annual Western Carolina University Band Competition. At Christmas, these award-winning Hurricanes paraded down Main Street for the Christmas Parade. They performed at each football game and promoted school spirit at the pep rallies. The band was another of East High's award-winning organizations.

# Choir

The Morristown-Hamblen East Concert Choir originated as a means of teaching the mechanics and the art of performing music. The organization taught students about themselves and the art of working with other students. The thirty-eight Choir members met every school day, and often the director, Mr. Adams, held meetings after school to rehearse. The long hours of effort yielded another successful year with the production of a Christmas Concert and an annual choir drama. The Chamber Singers, another choral group, sang for many organizations throughout the year.

# VICA

These students, under the supervision of Mrs. Irene Fain, met twice a month, in the Morristown East cosmetology department. The Vocational Industrial Club of America (VICA) was designed to stress student involvement and leadership for the promotion of Vocational Education. A car wash was held to raise money for such activities as an annual spring trip and installation ceremony. VICA devised some service projects also. A few of the projects were the Toys for Tots Drive, giving Christmas stockings to Kingswood School, and delivering fruit baskets to the Life Care Center. VICA also participated in Homecoming Events, Christmas Parade, spring Beauty Festival, and the State Board Exam in Nashville.

Under the direction of Mrs. Linda Eisenhower, the Health Occupations Students of America fostered programs and developed activities to achieve their purpose. They partook in the Regional HOSA Conference, Red Cross Bloodmobile, and Installation Ceremony for officers with parents as guests. At Thanksgiving, they provided a basket for a needy family and decorated Life Care Center on Valentine's Day. Volunteering their services to the school personnel, the club set up a blood pressure screening clinic and visited Silver Dollar City at the end of the year.

## Health Occupations Students of America

Tennessee Office Education Club (TOEC), led by Mrs. Jane McKinley, was established to encourage the interest in and development of Vocational Office Education (VOE) among interested Morristown East High students. TOEC develops high expectations, standards of ethics, and performance in the office. TOEC creates the will to explore employment opportunities in the modern office which today is more than a simple typewriter and file cabinets. TOEC builds careers.

TOEC Chapter I met twice monthly. The first Tuesday of each month was assigned for business meetings, and the third Tuesday, program meetings were held. The Installation Dinner was held at Western Steer on November 29, 1982. TOEC I participated in Regional and State TOEC Competitions and a Leadership Conference at Nashville. At Christmas the club delivered a basket to a needy family. In January, members delivered cookies to the teachers. Faculty Cafeteria Table decorations were planned for East and the VOE lab was decorated.

TOEC Chapter II's meeting schedule was the same as TOEC I. The Installation Dinner was held jointly with TOEC I at Western Steer. TOEC II also participated in Regional and State TOEC Competition and Leadership Conference. TOEC II helped in the distribution of cookies and also gave a Christmas basket. They visited the Morristown Area Vocational School and gave a Halloween party for handicapped children at Lincoln Learning Center. TOEC II gave a dollar per member to the Foster Children's Christmas Program, Department of Human Services.

## Anchor Club — Best Year Yet

The Anchor Club volunteered its services for the school and community in every imaginable way. Each month someone volunteered to babysit with pre-school children at Hillcrest PTA. The club worked in the Heart Fund and Cancer Drives. Providing snacks each week at the youth Emergency Shelter and helping with the American Red Cross Bloodmobile were among other service projects. These service-minded students fulfilled their purpose once again. Mrs. Ferne Strange and Mrs. Vera Thompson advised this fifty-member organization which well deserved the award of Most Outstanding Anchor Club among clubs internationally.

# The Leaders of Tomorrow

With the aid of the newly inducted Beta Club members, the Beta Club again had an active year. Compiling their achievement, leadership, and character, they developed another trait: citizenship. During the Christmas season, the members of Beta Club brilliantly decorated the cafeteria and presented the teachers with "goodies" on Teacher Appreciation Day. After each nine weeks, they placed a list of the honor students in the office. New members of the Beta Club were inducted on November 17, 1982. Inspired by their sponsors, Mrs. Charlotte Charles and Mr. Mike Mills, the Beta Club members lived up to their promise to be the leaders of their community.

# Interact

In only its second year at East High, the Interact Club has really gotten its act together. The intention of the organization is service, and they did just that. They assisted in the Run for Yes, Run for the Rose, and voter registration. Aside from their service projects, they attended a convention in Gatlinburg and provided a social for new members.

# FFA

Being the largest club at East High with 200 members, FFA had an event lined up for each month. Some of these events included Public Speaking, State Convention, and Forestry Camps. FFA contributed its services to the community by providing a safety program. These future farmers attended judged competitions such as Livestock, Dairy, and Soil Judging. After completing an active year under the direction of Mr. Marvin Henegar and Mr. Ray Henegar, this club was capable of saying they had lived up to their motto which is "Learning to do, and doing to learn."

# E s p a ñ o l

Every other Thursday the Spanish Club met to hold its interestingly unique meetings guided by Mr. Kraig. Broadening their knowledge of the Spanish culture, these students traveled to Knoxville to view a Spanish play and participated in Language Day at ETSU. The club took part in annual events such as the Spanish Club picnic and the International Dinner. Furthermore, the club tried something new. They adopted a child, Elmo Eleazar Alonzo Ceballos, a three year old Guatemalan boy. They sent \$18.00 to him each month. The club ended the year in hopes of adventuring to Gatlinburg.

# Cranford's Gang

The members of this organization strove to unite the members of the Latin Classes to form a service-type organization. The Latin Club met once a month in Mr. John Cranford's room. They participated in the International Dinner, Teacher Appreciation, and had a trip planned for the spring. The officers were Kim Bunch, John Foster, Angie Hale, and Rachell Acuff.

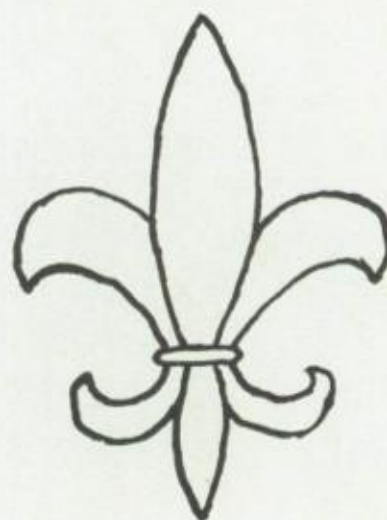

## Voici la Club Francais

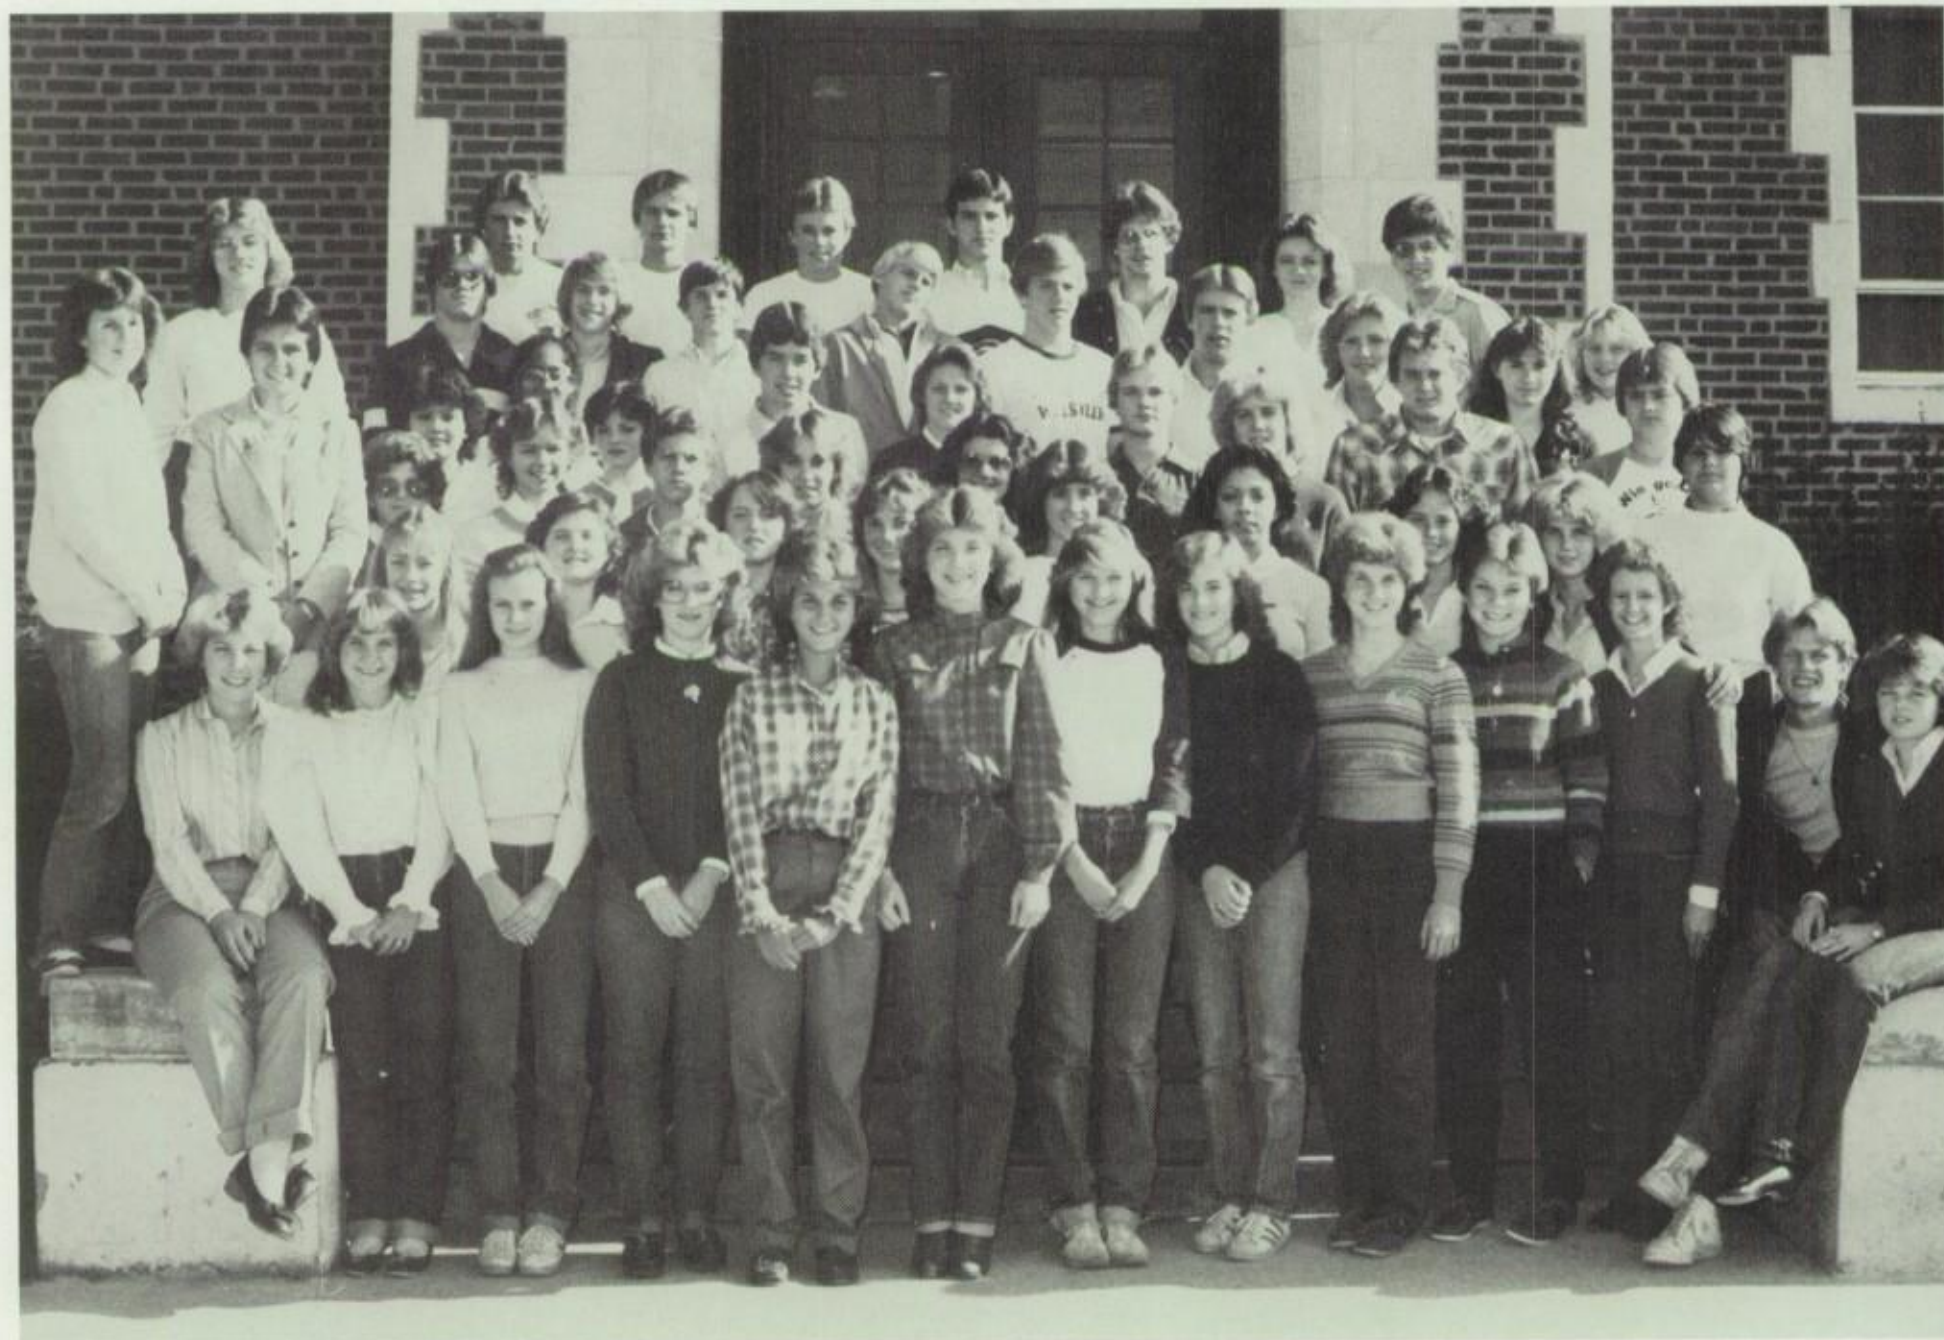

The French Club met once a month in Room 306. New club advisor, Mrs. Ferne Strange, promoted an interest in all things French. Contributing to her goal, she took her classes to Carson Newman to view a French movie. The club also participated in the International Dinner and Homecoming festivities.

## Sprechen Sie Deutsch?

Increasing their knowledge of Germany, the German Club boosted its enrollment to fifty-seven members. Everyone contributed recipes for preparing a German Cookbook and provided food of their culture at the International Dinner. This organization, being led by Ms. Trobaugh, had devised a trip and a picnic for the spring and were planning to participate in some type of service project.

## AIASA

The new club at East High was the AIASA Club, short for American Industrial Art Students Association. This club was destined to help students appreciate industry, manufacturing, and technology. In hopes of purchasing blazers for club members, they participated in several fund raisers. Although the club was only a year old, it promised to be heard from in 1983-84.

## Bulc Yek

After a year of hardships, Mr. Dave Canter, new sponsor of the club, had the Key Club bouncing back once again; and they recovered well. They sold Morristown East license plates and raffle tickets for Homecoming prizes. Regaining their reputation of being a service club, they passed out doughnuts to teachers during Teacher Appreciation Week. The keys and keyettes also had a party for the Children of Lincoln Learning Center and they parked cars on Ladies' Night at the Country Club.

# Be a Bookworm

The Library Club had yet another busy year with a membership of 35 students, mostly underclassmen. They promoted service in the library and the school by meeting monthly to plan such events as fundraising (they earned \$507.34), participating in the Morristown Christmas parade, baby sitting for PTA conferences, and working in the library. Members did have some fun, though. They had a pizza party at Pizza Inn and a Christmas party at Mrs. McGinnis's house. The club bought Christmas gifts for their sponsors, Mrs. Sally Bennett, Mrs. Connie McGinnis, and Mrs. Azalee Malone.

# This Paper Manufactured by Kodak

The Camera Club, under the direction of Sally Bennet, was organized to promote camera skills and techniques and help create a greater appreciation of photography. They met once a week in the library to learn techniques such as developing film. The Camera held a "count the cans" contest to raise money for a photography field trip.

## Science Club

The Science Club, led by badminton coach David "them dawgs" Vaughn, completed its second year. The Science Club was established to encourage and exemplify scientific study and participation. They met once a month to discuss such things as their annual winter hike and field trips to area industries. This year each member was required to produce a project demonstration.

# Student Council

Planning the different contests and activities during Homecoming Week was a major contribution of the Student Council. The council members were chosen by their fellow classmates to see that they were provided a fun-filled and entertaining school year. Traveling to Knoxville for a student government workshop enabled the students to learn new skills and techniques for student government. The council was led by the ever-ready Mr. Weesner.

Meeting five days a week fifth and sixth periods enabled the Hurricane Staff to produce a newly-designed newspaper each month. Sometimes these meetings were held in room 323; however, in their busiest moments, they were most fortunate to have the use of a storage closet (Hurricane Room). Being advised by Mrs. Oakes, this staff was also capable of issuing special editions such as the Homecoming and Senior issues.

# ITAKHA Experiences Pac Man Fever

The ITAKHA Staff labored diligently and spent their effort in the composition of the 1983 ITAKHA. During the summer the staff sold ads to provide the student body with this unique book. The seniors of this select group of students also attended a camp at Carson-Newman in July and departed with a first place trophy for their efforts. Mrs. Barbara Robinson, advisor and leader of the pac, was patient and helpful in the energizing of the staff. After all the deadlines were met and the final touches were made, this staff was able to present the student body a book unlike any other ever written..

# The Hurricane Roller Coaster

The 1982 Hurricane Football team can be described as a roller coaster. The team opened up with a loss to Carter, but the team regrouped and pounded Daniel Boone the next game. They continued this rampage and defeated Loudon very handily. Then, the Hurricanes ran up against Oak Ridge. The team fought hard, but they wound up on the losing end. The Hurricanes then defeated Crockett and Newport, setting up the dual with Jeff Co. The Hurricanes' luck ran dry from this point on. They lost to Jeff Co., Greeneville, and their final game against West. When all was said and done, the Hurricanes wound up with a final record of 5 wins and 5 defeats. The season was highlighted by the play of two-time All Stater Toby Pearson and two-time All Conference Brian Keller.

Although ending in disappointment, the 1982 Freshman Football season was excellent. This group of determined and talented young men was "one of the best" to be under the leadership of Coach John Cranford. The young athletes progressed through the season uncontested until the final two games, the first of which was against Jefferson County whose over-all talent exceeded that of our East freshman team. The traditional last game against West pitted two teams with a 6-1 record. West simply played a better game and sent East away with a final 6-2 record for the season. This outstanding record was credited to the well-balanced passing and running games. Larry Hartman and Todd Morgan were two outstanding freshmen whose contributions to the running game were commendable. The passing attack's effectiveness is credited to Craig Hammer and Otis Cole. Incidentally, Hank Smith did a superlative job at leading both of these aspects of the game with great skill for a freshman player. A noteworthy fact was that East's first team allowed only one touchdown the 1st six games.

The 1982 Volleyball team upheld its winning reputation this year with a final "win-lose" record of 12-9. Coach Ava Walker, prevailing after vital losses of five seniors from last year's squad, coached her young and inexperienced team to a good standing in the conference. Tammy Lane, having played four years, was looked to for the much needed leadership, and Susan Musser, Tara Carmichael, and Kay Kinsler added their senior leadership.

# Cross Country

The 1982 Cross Country Teams under the guidance of Mike Harville posted successful seasons. The Boys' Cross Country team finished with an unblemished worksheet and took second place in both the Kingsport Invitational and IMAC meets. The team also reached the Regional meet but ranked a disappointing sixth place.

The Girls' team got off to a slow start but showed steady improvement finishing up with a 6-7 regular season record.

# Hurricanes Turn Basketball Program Around

The 1982-1983 Hurricane basketball team mended their ways by compiling a 18-9 record near the end of the season. The team finished second in the Inter-mountain Conference in regular season play. The members of the team then went on to place in the regionals tournament. The Canes' success can be contributed to team play and new head coach Jimmy Jones. ## Canter's Cagers

The B-Team Boys have experienced the leadership of Coach Dave Canter for the first year. The main goal of Coach Canter during his first season was to remain undefeated but that possibility was snapped early in the season by West Greene. The team consisted mainly of sophomores with the exception of Jeff Isom and Steve Wilson who also played varsity basketball.

# Crashing Through for a Winning Season

The 1982-83 Girls Varsity Basketball Team, in spite of the strong senior leadership lost in the 1981-82 season, incorporated speed and skill into a winning season. The conference final was an outstanding 9-5 placing the Hurricanettes in a lone second place, and the overall record was 16-9. Andee Hidalgo, lettering for the third consecutive year, took over the job of essential senior leadership along with Tammy Lane. Dawn Bentley, Janet Neal, and Lisa Talley were all three starting juniors; sophomore starter Sandy Brown picked up the slack. Angie Laws, Mary Ann Bales, Ellen Thompson, Pam Martin and Tammy Webb completed the line-up for the varsity squad. In tournament play the Hurricanettes advanced to the Regional Tournament by defeating Morristown West in the first round of District Tournament. However, the team's 1982-83 basketball season was abruptly ended in the first round against Volunteer in the Regional Tournament.

The 1982 Girls B-Team spent many long, hardworking hours of practice. Working toward a successful season, they practiced not only on school days, but on holidays and weekends also. Their aggressive attitudes made them prime prospects for future varsity action, and hard competition for other Intermountain Conference teams.

The team was basically Freshmen — led by the efforts of Renee Steele and Lynette Cook.

# Hurricane Wrestlers Pin Down Victorious Season

The 1982-83 Hurricane Wrestlers compiled the best record of a Morristown team with a 12-1 slate. The team kept up the four-year tradition of no home losses. The team also placed either second or third in five tournaments. The Canes finished second in the conference and third in the district. The team was led by senior Tim Dennison who had a 23-0 record. Tim Dennison, Jimmy Inman, Jeff Hill, Billy Murphy, and Terry Costner went to the regional tournament in Greeneville. The Canes also placed wrestlers in the state tournament. Several B-team wrestlers were upped to the varsity squad including senior Jody Backer.

## Cardiac Kids

The 1982 Hurricane Baseball team defined the word excitement. The team came from behind numerous times to win. The team was given the label "Cardiac Kids." The team finished up the year with a 26-10 record. They were also Conference, District, and Region Champions. David Bewley led the batting corps with a .390 average, but Kevin Emert and Tony Hayes obtained a close .383 and .381 batting average. David Bewley, Tony Hayes, Kevin Emert, and Mike Prince received All-Intermountain Conference honors. Bewley and Emert also received All-Upper Tennessee honors.

The spring of '82 was another fantastic year for the East softball team. They went through the season undefeated and advanced in the play-off to the quarter finals where they lost to Knox Farragut 6 to 13. The Hurricanettes were led by seniors Kim Talley, Angie Carter, Sherry Fox, and Tanya Bowlin. Bowlin was the starting catcher, a position she played for two years. Angie Carter played right field and had the highest batting average on the team: .412. Sherry Fox was a three year starter; the last two years at shortstop where she was very reliable and will be difficult to replace. Kim Talley also started for three years. She established herself well in the record books; records which will be difficult to match, yet undoubtedly pursued. During her three years, she pitched only 3 losing games out of 46; moreover, she pitched only 3 regular season losses in those three years. Her career batting average at was also one of the best. Kim was selected to all-conference teams three times and Sherry was selected twice. Hurricanettes were also led by Andee Hidalgo, another all-conference at 2nd base, an honor she received for two years. Also receiving honors was Sandy Brown, a freshman who made the all-conference team and led the team with 46 RBI's. The other starters on the team were Dawn Bentley, a sophomore who played infield and outfield positions, Karen Rose, a junior outfielder, Robin Cobb, a junior at the infield position, a junior infielder and Lisa Talley who was East's effective backup pitcher. They were supported by Rhonda Toby, Mary Woody, and Andrea Cobb.

# The Art of Rebuilding

Season after season seems to be a rebuilding year for the Boys Tennis Team and the 1981-82 season was no exception. The boys struggled for a winning season with the mark of a 6-5 worksheet, finishing up the season with a third place rating in the conference. Mike Samsel received recognition for his athletic skills by being named to the All-Conference Team during his senior year.

# Tennis Team Triumphs

An impressive season ended with a 12-0 worksheet for the girls Tennis Team. This exciting record fulfilled one of the team's long-awaited accomplishments, CONFERENCE CHAMPS. The team viewed the Greenville match as the highlight of the season. By defeating Greenville the team broke the tie for first place and East achieved the Championship. Experience should be the key to a successful season next year, since only three senior team members graduated. Special congratulations were extended to Kim Bunch for her all-conference rating.

## NOTHING HAPPENED

Not too good; not too bad! In a season marked by mediocrity, one bright name stood out. Steve Keesee set a new school record for the two mile run; 10:03. His record earned him a berth on the Carson-Newman track team. Although no conference or regional teams, they did rank fifth in the conference and Coach Mike Harville's distance runners brought home several ribbons. At the annual sports banquet, Steve Keesee was awarded the **MOST VALUABLE PLAYER** award and Mike Repp and Jeff Whittaker were co-recipients of the **MOST IMPROVED PLAYER** award. Johnny Sharp was honored with the **COACHES AWARD**.

# Track

Tough competitors made up the 1982 Girls' Track and Field team. Through hard work and determination they became one of the best teams, finishing 4th in the conference. Michelle Stokes, recipient of the only all-conference award, was a notable success in the discus competition. In this event she placed second in the region, a feat which earned her a trip to the state tournament. At the annual awards banquet, Michelle Stokes received the MVP award and Mary Davis was complimented with the MOST IMPROVED PLAYER award.

At the Smoky Mountain Golf Course in Newport, East placed 3rd among seven teams in the conference tournament. In the District Tournament at the Link Hills Country Club in Greenville, the team placed 4th. Tim Moore qualified with an 83 for the regional tournament. East placed 9th among twenty teams at the

## Remember Homecoming

Homecoming at East High School — it was more than just a traditional celebration for returning alumni. Homecoming was a week of crazy antics and outlandish garb with a special day for every closet punk rocker, beach bum, Beau Brummell, and cowboy. It was the time when color and creativity brightened all the homeroom doors for the annual door decorating contest. It was the screaming thrill of the wildest pep rally of the year and the hilarity of the hoagie eating contest. Homecoming was an extravagant display of school spirit and the selection of a Mr. and Miss Spirit, who were this year Ronnie Smith and Andee Hidalgo. It was the pulse-quickenning anticipation of the "Big Moment" when the name of the 1982 Homecoming Queen, Sherry Thompson, was announced. Homecoming was the relish of a 42-8 football victory over Crockett and the fun of a homecoming dance to wind up the entire celebrated week. Homecoming at East High School — it was the time, the feeling, the fun that typically characterized the best memories of a high school year.

## “Tonight’s The Night”

Hours of frantic preparation before the “big night” . . . pacing in anticipation at the front door . . . He arrives. Oh, no! The corsage clashes with her dress. Dining at Knoxville’s poshest restaraunt . . . laughing warmly over his jokes . . . and she spills her iced tea. Racing back to East High School in his Dad’s Oldsmobile . . . escorting her through the door . . . Oops! He remembers he left the headlights on.

The once bland cafeteria is now transformed into a spring garden with festive flowers and a lattice-work gazebo. Couples dance in every fashion to the varied music of “Air Waves.” Friends chat amiably, admiring each other’s attire and nervously fussing with their own. For many this is the first prom, an event long-awaited since, perhaps, junior high days. For all this is the one gala evening in high school to be remembered after other parties and dances are forgotten. This is the Junior-Senior Prom, and the theme expresses fittingly the attitude of the attendants: “Tonight’s the Night.”

Strolling out a bit wilted, but glowing . . . stifling a slightly weary yawn . . . She recounts, fondly, the glittering evening as he takes her home. It was a night to remember.

# SHOW BOAT

*what a show!*

Prologue: The cultural event for East High's 1981-82 season was the production of the musical "Showboat." Members of the East and West Concert Choirs, along with an indispensable technical crew, joined together under the direction of Mr. Randolph Adams to bring the unpredictable turn-of-the-century life on a Mississippi showboat to Morristown. For the preparatory three months preceeding the play, all those involved veritabily *lived* the show, but the finale was worth every minute of sacrifice.

## Scene I

East High School auditorium about 9:30 p.m.

Director: (impatiently) I want that opening scene again and this time get it right!

## Backstage:

Unidentified Actress: I think I'm going to drop from exhaustion — these dress rehearsals are *grueling*.

Another Unidentified Actress: (out of breath, rushing up the stairs backstage) My entrance!! Did I miss it? What scene is this now? (Catching breath but still a bit frantic) I couldn't find my costume with all that calamity in the dressing room.

Unidentified Actor: I think you're confused — this is the opening of Act two not scene two. But take heart, girls, tomorrow is opening night, and . . .

Director: (roaring) Quiet backstage!

## Scene II

Same place, one night later. An enthusiastic audience cheers as the curtain call proceeds. The exuberant actors break into triumphant chatter as the curtain closes.

Unidentified Actor: Wow! What a show! What a performance! I could *feel* the energy — and the crowd did too. They loved it!

Unidentified Actress: (with delight) And they howled at *all* the comic parts — especially yours!

Another Unidentified Actor: Weren't the musical numbers a smash?! Your solo never sounded better!

Director: (with concealed pride) Thanks, guys — a super job. What a show!

## The Tennessean's Creed

I am a Tennessean, as tolerant of race and creed as the mountains of its seasons.  
Love of State is embedded in me, like long valleys and deep streams.  
King's Mountain knows my footsteps.  
Shiloh knows my tears.  
I was at Chalmette and Monterey and in the Argonne Forest. I stepped to the beaches of Normandy and spilled blood on Iwo Jima. I fought back at the Bulge.  
Heartbreak Ridge had my presence. On a multitude of fronts, I freed a multitude of people of the world.  
The blood of pioneers who gave great frontiers to America is in my veins.  
I walk without fear and humbly —  
As does my neighbor.  
This is freedom.  
I feel and breathe it, and will be quick to defend it.  
My hand is lifted in allegiance to my State and my Country, and in reverence to God who in His wisdom has blessed America with freedom.

## Boys' State

## Girls' State

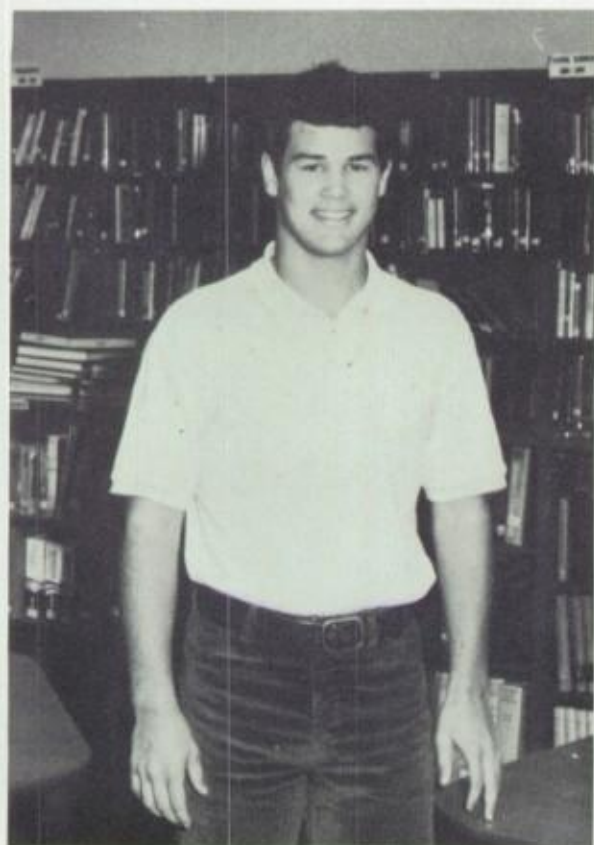

The delegate to Boys' State in 1982 was Ricky Bruce. Boys' State is a conference held at Tennessee Technological University in mid-June of each year in order to promote a greater understanding of government in the rising senior delegates. As East's representative, Ricky was an outstanding example of Tennessee's youth.

East's delegate to Volunteer Girls' State in 1982 was Laura Burton. Girls' State is a week long conference at Middle Tennessee State University for outstanding high school girls who have completed their junior year. Girls' Staters study government as Boys' Staters do. "The Tennessean's Creed", above, was taken from the VGS handbook.

# Annual Honors

## DAR

Each year the Samuel Doak Chapter of the Daughters of the American Revolution honors an outstanding high school student for his/her achievement, leadership, and citizenship. This year's recipient, Ricky Bruce, was selected by the faculty from a list of seniors nominated by the senior class. He received a pin and a monetary award.

## Bausch & Lomb

Laura Burton was named the 1982-1983 winner of the annual Bausch and Lomb Science Award. The award — a handsome bronze medal — is presented each year to winners at more than 8,600 participating high schools throughout the United States and Canada. The recipient of this honor must maintain the highest four-year average in science courses at East. Winners of the B and L Science Award are eligible for scholarship competition, mainly at Rochester University in Rochester, NY.

## Scholar Bowl

The 1981-1982 Scholar Bowl Team put in a great showing at the annual Scholars Bowl Competition at Walters State. The team placed second in a contest with several other area teams. Their cross-town rivals, West High, beat them by only five points. The members of the team were John Foster, Lanny Saylor, Steve Keesee, Gary Poythress (Captain), Laura Burton, and Steve Jenkins.

# Music

## Choir

Thirteen superior music students received the honor of All State East Chorus. The entire East-West Choir attended competition in the fall, and several members were judged to be outstanding in their class. The East students chosen for this honor were Sherie Kelley, Regina Hickman, Karen Foster, Andrea Carey, Yolanda Treece, Angee Allen, Jane Corbin, Sharon Owen, Brian Dalton, Scott Knight, David Jenkins, Bill Whetsel, and Randy Webb. Five of these students were further awarded the honor of All State Chorus. Regina Hickman, Jane Corbin, David Jenkins, Angee Allen, and Randy Webb participated in the All-State Chorus Concert in Memphis.

# Awards

*These are musicians?!?*

## Band

Seven gifted band students exhibited their skill at the All- State-East-Band tryouts at Knoxville. Although no East student made Blue band (the highest ranking possible), Bill Whetsel made Red band. Next, ranking Green band, were Greg Carpenter, Regina Hickman, Scott Sanders, Stephanie Brooks, and Jane Corbin. Rachel Acuff was the only East member to make White band.

# Honor Students

To be eligible for Honors a student must maintain a 3.50 to 3.74 grade point average for four years of high school work. Nine seniors worked hard enough to "make the grade." They were Tom Rush, Andee Hidalgo, Toby Pearson, Chris Edwards, Octavia Shepard, Sherry Thompson, Laura Wilder, Cyndi Costner, and Julie Warner.

# High Honors

Four outstanding seniors maintained an over-all grade point average of 3.75 to 4.00, qualifying them for High Honors. Julie Liposky, valedictorian, earned a 3.944 average during her rigorous studies and was followed by Andy Plankenhorn, Trish Snowden and Laura Burton.

## Who's Who

The honor of Who's Who is a reward to the deserving seniors who have contributed more to their school than just attending classes. Who's Who is for those students who have been self-motivated to make things happen, rather than simply to react. Through their involvement in sports, clubs, the arts, student government, and academics, those students have added interest and diversion to East High School and in turn have become role models for other students, testifying to the fact that success is a matter of action. This year, twenty-six seniors were chosen for Who's Who on the basis of their participation in the wide range of activities that distinguish the participant from the observer.

## FRIENDS

Times spent together,  
Cars we use,  
All the money we spend,  
The clothes we choose,  
Weekend night movies,  
Walking in the park,  
Telling our fears,  
Scared of the dark.

Money to lend,  
The stuff we buy,  
Our private talks,  
About all the guys,  
The fun we've had,  
May it never end,  
We want it to last,  
And always be friends!

## Senior Commandments

- I. A SENIOR is never wrong.
- II. SENIORS are superior in every way; treat them as such.
- III. The only reason we keep the rest of the student body is to make the SENIOR class look even better.
- IV. The relationship of the SENIOR class to the rest of the student body is that of master to slave.
- V. Underclassmen should never speak to a SENIOR until spoken to.
- VI. On campus always remember — SENIORS have right of way.
- VII. A SENIOR is never late to class; class begins when all the SENIORS have arrived.
- VIII. Never mention to a SENIOR that he or she was ever a freshman.
- IX. Obey the SENIORS . . . their word is law.
- X. The class of 1983 will be the last SENIOR class at East High; in the future all Juniors shall be exterminated on the last day of school.

The image is a black and white photograph of a large crowd gathered on a grassy field, with a large, dark, rectangular structure (possibly a stage or backdrop) in the background. The photo is heavily obscured by dense, handwritten cursive text in red ink, which is written diagonally across the entire image. The text is difficult to read but appears to be a personal message or a list of names.

### The Road of Life

I expect to pass through  
This world but once.

Any good thing,  
therefore,  
That I can do  
Or any kindness I can  
show  
To any fellow human  
being  
Let me do it now.

Let me not defer  
Nor neglect it;  
For I shall not  
Pass this way again.

# ACKNOWLEDGEMENTS

We, the staff of the 1983 ITAKHA, would like to express our gratitude and appreciation to the following who contributed much guidance and assistance to help us win our awesome game:

Robert Vaughn, manager of K-Mart, for allowing us to use items from or in his store;

Brian Stephenson, Jerry Seals, Chuck Hale, David Grissom, L. V. Ward, and especially Sally Bennett for their superior photographic efforts and advice on

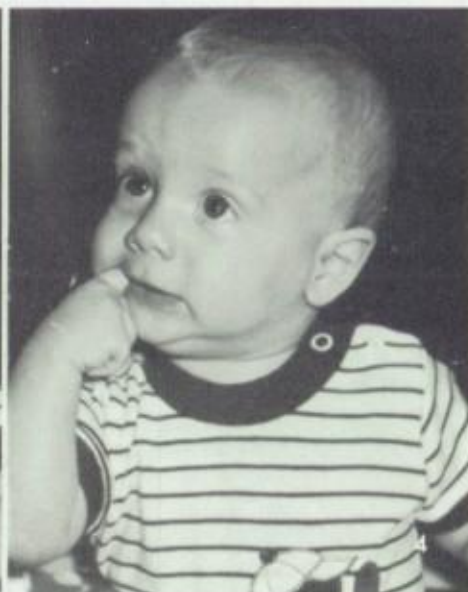

graphic details;

The faculty and staff of Morristown East for cooperating with our unusual schedules and even more unusual requests;

And most importantly, Mrs. Barbara Robinson, our beloved advisor and mentor, for patiently guiding us through stiff deadlines and generously giving her knowledge and advice to help us produce the "best year-book ever."

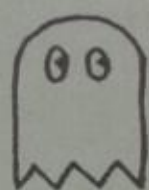

Permission to use Pac Man and facsimiles thereof was granted by Bally Midway Manufacturing Company of Illinois. Their cooperation is gratefully acknowledged, for without said usage the theme of the 1983 ITAKHA could not have been effectively executed.

Andrew Bennett, Class of 2000, says: 1. Who says I can't eat Pac Man?! 2. At least, I think I can . . . 3. Ah ha! I did eat Pac Man!!! 4. Burp.
